GIVEN TO THE JURY

The Conclusion of the Jett and White Trial at Cynthiana Near at Hand.

WHITE SAID TO BE PALE WITH FEAR

After Several Hours Deliberation in Jury Room the Twelve Men Failed to Return a Verdict.

It is the Opinion of All That a Hung Jury Will Be the Result of This Case—The Defense is Jubilant.

Cynthiana, Ky., Aug. 14.—The arguments in the Jett and White case closed at 10:48 Thursday morning. The jury almost immediately was handed the instructions and sent to the jury room. The sheriff and one deputy were ordered to remain at the door. Two deputies were left with the prisoners and the others were instructed to allow no one to loiter in the courthouse yard or in front of the building.

White, who was pale and seemed almost prostrated with fear, talked with one of the deputy sheriffs with him, in the hope of getting some comforting statement from him. He seemed to think it certain that Jett would get a severe sentence, for, as he shuddered, he said he hoped he would not get the same sentence. Jett, however, kept up an air of braggadocio and remarked with confidence that the jury would never convict him.

At noon the jury went to dinner. At 1:30 p. m. the jury resumed its deliberations in the jury room.

At 5:20 Thursday afternoon Judge Osborne directed Sheriff Leach to call the jury from the room, and when called Judge Osborne asked them if they had rendered their verdict, when Foreman D. E. McCauley said that they had not. Judge Osborne then advised them and put them in charge of the sheriff and his deputy, and he told them that after supper they might discuss it among themselves and that then they could retire to their beds for the night. They are to come back at 8:30 Friday morning. Judge Osborne stated to a press reporter that he intended keeping them at their work until 1 o'clock Sunday night to see if they would render a verdict in the case. It is the opinion of all that a hung jury is the result of this case. The attorneys for the defense are jubilant and Jett is laughing and talking with them and smoking cigarettes, but White is much depressed in spirits.

A GREWSOME FIND.

Skeleton Arms Brought to Light By a Dog.

Omaha, Neb., Aug. 14.—A few days ago a dog trotting into Sarpy Mills, near here, clapping in its mouth the skeleton of a human arm. Later the dog brought in the skeleton of another arm. The country has been searched in vain.

DAMAGING TESTIMONY.

Convict Henry Youtsey on the Stand For Three Hours Thursday.

Georgetown, Ky., Aug. 14.—On the witness stand for three hours Thursday afternoon Convict Henry Youtsey gave very damaging testimony against Caleb Powers in the Goebel murder conspiracy case. He testified that in January, 1901, he signed an affidavit for Powers as to his innocence, to present to the republican judges of the court of appeals to secure from them a reversal of the life sentence given him. Powers. He said that at the time he signed that affidavit both Powers and himself knew it to be false, and that before he would consent to affix his signature to it he, Youtsey, required Powers to sign an agreement waiving the truth or falsity of it, and also agreeing to never let it become public or to use it openly in court, and to return it to him, Youtsey, within 15 days. He says the affidavit was not returned by Powers, and he, Youtsey, kept the written agreement. He produced the agreement in court with Powers' signature attached, and the affair created quite a sensation in the court room. Youtsey's wife has been for two years the innocent custodian of this document. Fearing that he would lose it in the jail to which he was sent from time to time, Youtsey sealed it up in an envelope and sent it to her with instructions not to open it. She kept it until he sent for it to go before the grand jury, and, unaware of its character, she restored it to him and it was opened in the presence of the jury. Youtsey's cross-examination was not completed Thursday.

ANGERED BY MUSIC

Ex-Soldier Fired Into a Crowd With a Doubled Barreled Shotgun and a Revolver.

WERE ATTENDING BAND CONCERT

Three Men Were Instantly Killed, Three Probably Fatally Injured, and 20 More Badly Hurt.

He Reloaded and Fired Several Times at the Fleeing Men and Women—Resisted Arrest and Was Killed By a Policeman.

Winfield, Kan., Aug. 14.—Angered by the music of a band concert, Gilbert Twigg, once a soldier in the Philippines, armed himself Thursday night with a double-barreled shotgun and a revolver and attacked a crowd of 3,000 persons that surrounded the bandstand, killing three men, probably fatally wounding three others and injuring 20 more before he was shot by a policeman. Besides Twigg, the dead are Sterling Rice, Dawson Tillotson and D. Bowman.

The band had just finished playing "Hiawatha" when Twigg came up and fired both barrels of his shotgun at the bandstand. R. E. Oliver, a musician, fell with his back and arms full of shot.

The crowd surged toward Twigg and he, having reloaded his piece, fired two charges into the audience. Men and women fell to the ground in pain, crushing children beneath them. Those who were not injured scattered in every direction but one, knocking many others to the ground. This panic allowed Twigg to reload and fire several times at the fleeing men and women. At last Policeman George Nichols came up and, waiting behind a tree for an opportune moment, confronted Twigg, just as the mad man had discharged his fowling piece.

Twigg dropped the shotgun and, drawing a pistol, fired at the policeman. The bullet went wild. Before Twigg had time to fire a second bullet Nichols put a bullet through the man's abdomen. Twigg fell, mortally wounded. He endeavored to fire again at Nichols, but he was so helpless that the bullet entered his own chin, passing out through the top of his head. The frightened fugitives then returned to the bandstand and aided the wounded. Twigg was a miller and the men about town referred to him as "Crazy Twigg," but no one thought him dangerous. He lived in New Mexico for some time before he enlisted as a soldier to fight in the Philippines.

DESTITUTION PREVAILS.

Situation in the Hurricane Stricken District of Jamaica Is Appalling.

Kingston, Jamaica, Aug. 14.—The destitution in the hurricane stricken districts is appalling. Thousands of persons, homeless, starving and ill-clad, are hurrying to the towns to obtain shelter and supplies, but as all the churches and public buildings have been demolished the misery is intense. A meeting held at Port Antonio Thursday appealed, with the governor's approval, to the generosity of the American people. Foodstuffs and lumber are urgently needed and assistance was implored.

FREIGHT TRAIN WRECKED.

Two Trainmen Killed and Two Injured, One Fatally.

Asheville, N. C., Aug. 14.—A train of 13 loaded freight cars got beyond the control of the engineer on the Southern railway Thursday afternoon and dashing wildly down a steep grade on Saluda mountain was wrecked at a turn in the road near Melrose. VILLAGES BURNED.

The Turkish Troops Destroyed Leskvatz and 14 Other Places in Uskob District.

INSURGENTS LAID THREE IN ASHES

The Albanian Rebels Have Been Disastrously Defeated in the Debyrsko Region by the Turks.

The Outbreak in Macedonia Is Steadily Progressing and Now Northward From Monastir and Also Toward Salonica.

London, Aug. 14.—The Daily Mail prints a dispatch from Belgrade which says that the Turkish troops destroyed the village of Leskvatz and 14 other places in the district of Uskob and that the insurgents have burned the villages of Nakolet and Krani, inhabited by Albanians, and the Turkish village of Kashani. It is stated that when the insurgents captured the Turkish mail a few days ago they carried off \$125,000.

Salonica, Aug. 12.—Information from Monastir is to the effect that the insurgents have occupied Kilsura and Pissordere and that the Albanian rebels have been disastrously defeated in the Debyrsko region. A Turkish post near Sorovitch has been robbed.

Athens, Greece, Aug. 14.—The Macedonians in Greece petitioned Premier Ralli for permission to cross the frontier with arms in order to join their brethren in Macedonia. M. Ralli refused to grant the permission and counselled them to remain quiet.

Reports received from government agents in various districts of Macedonia are of a disquieting character. They say the outbreak is steadily progressing and now extending northward from Monastir and also toward Salonica. Numbers of new adherents are daily joining the insurgent bands. Kruschevo is still in the hands of the insurgents, who have also captured Kilsura, the chief town in the Sanjak of Mahlis, vilayet of Monastir.

Sofia, Aug. 14.—Gen. Tzoncheff, president of the Macedonian committee, and his friend, Col. Jankoff, both of whom are ex-soldiers in the Bulgarian army, have been arrested by the Bulgarian police.

The Macedonian leaders expressed themselves as greatly disappointed with what they assert is the distinctly hostile attitude of America toward their cause as manifested in the utterances of the press. Dr. Christo Tartercheff, one of the presidents of the Central Internal Macedonian committee, Thursday told a press representative that his party was convinced that American newspapers had been bought with Turkish gold.

"There seems to be no other explanation for the tone of their articles," said he. "They are not only unsympathetic toward the movement, but decidedly inimical to it. It is impossible that such an attitude could arise from ignorance of the true state of affairs in a country so intelligent as America, and it is also difficult to believe that the impression created by the Miss Stone affair could have so prejudiced the American press."

CALHOUN is certainly playing his last trump when he offers that Taylor pardon.

THE more trials those Frankfort assassins have the more are the perfidy and guilt of certain Republicans shown up.

THE people of Kentucky won't be found honoring a party that produces such characters as Taylor, Powers, Howard, Youtsey and Finley.

THIS from the New York Independent, which has always had a strong leaning toward the Republican in politics, shows in some measure the state of the mind:

We wonder whether it occurred to the minds of those who wrote and those who adopted the platform of the Kentucky Republicans that its denunciation of assassination, whether in Serbia or Kentucky, as destructive of civilization, tended to support the contention of their political opponents that the murder of Governor-elect Goebel was plotted and accomplished by Governor Taylor and some of his Republican associates holding office at the Capital.

The widow and heirs of Wm. E. Sedden have sold four lots in the Fifth ward to the Maysville Water Company for \$1 and other consideration.

When the negroes who were run down at Elizaville by Mason County's bloodhounds were placed on trial at Flemingsburg Thursday, White, who had previously confessed, "recanted," and claimed he was "scared" into talking. The Times-Democrat says: "He could not explain, however, how it was that he had told just how the axe was left lying on the floor near the looted bureau, nor several other things he had told in his confession which he could not have known if he had not been there."

G. Sharp.

All comrades who were at any time attached to Morgan's command are expected and cordially invited to be present.

Confident Democrats Will Win.

[Enquirer.]

Colonel R. E. Harrison returned yesterday from a trip through Kentucky, and, while away, he took the opportunity to inquire into the political conditions of the State. He said: "From all I could learn there is no doubt but what Governor Beckham and the entire Democratic ticket will be elected by a majority ranging from 15,000 to 20,000. I never saw the Democrats so closely united as they are at the present time, and it seems to be their sole desire to elect Governor Beckham. The only strength the Republicans can expect to pull is from their own ranks and a few independent Democrats. But from the independents they will not get many votes, because Beckham stands very high with every class and people will vote for him rather than trust an unknown man."

The Murray Comedy Company will appear here the week commencing Monday, Aug. 17th. The opening play, "True As Steel," is a comedy-drama full of strong situations and funny comedy. Upon opening night one lady will be admitted free with each paid 30-cent ticket. Seats on sale at Ray's drug store, Saturday morning.

To Our Public!

In response to repeated inquiries as to when we will move, we make the following statement:

THE NEW STORE—We hoped August 1st would mark that interesting event, but uncontrollable delays about lumber needed for changes in the interior arrangement of the store will postpone the formal opening about two weeks longer. In the meantime the store is open, with some very good bargains to invite you therein.

DOORS CLOSED—When arrangements are nearing a finish, the doors will be closed a few days for readjustment of stock, final decorations and the completion of a delightful surprise, of which more later.

DOORS OPEN—The reopening will be formally announced several days in advance and other interesting details will be given, to make the introduction of Hunt's New Store important and impressive.

THE OLD STORE—The old store will be closed as soon as all business connected with it is fully adjusted. That may be a question only of weeks and it may be much longer. We can speak with no certain voice just now. In the meantime, as long as the doors are open, at Hunt's old location you can count on buying goods cheaper than ever in its 51 years history of good goods at lowest prices.

to attend the Elks Fair. Bring your wife to town in the morning and come to my office and let us talk over that matter about your buying a farm. I am sure that she will think it a wise thing to do. This thing of being a renter all your life is not a very pleasant thing to contemplate, especially when your wife thinks you are the equal of any other man. You need not necessarily buy a very large place, but after having paid for a small one it will then be time for you to look for something of larger proportions. I shall expect to see you some time during the week. Very truly yours,

A CITIZEN DISCUSSES

A Vital Question—Fraught With Interest to Maysville People.

When a citizen right here at home makes a public statement like the following, all room for doubt disappears and the most skeptical must be convinced. It's pretty hard for our readers to prove a statement made by a stranger living in some far-away point of the union, but the endorsement of neighbors, friends and citizens is the best of proof; no better evidence can be had:

Mr. P. Gantley, grocer of 314 East Fourth street, says: "The prompt and thorough relief from backache given by Doan's Kidney Pills is the strongest endorsement possible. When backache is caused by the lack of proper action of the kidneys the only reason for continuing to suffer is the want of knowledge of Doan's Kidney Pills. I procured them at J. Jas. Wood & Son's drug store, West Second and Market streets."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—DOAN'S—and take no substitute.

Regular Council of Niagara Tribe No. 96, I. O. R. M., will be held at the wigwam in Orangeburg on Saturday at 7:30 p. m. G. H. TURNIPSEED, Sachem. M. D. Collier, C. of R.

A party of twenty-three went down Wednesday from this city and spent the day at the fishing shore below Dover. There was an abundance of fish for all, and the day was a delightful one.
